

Beechwoods Property Owners Association, Inc.
Pool General Rules and Regulations- 2016

General

1. The Beechwoods recreation area is for the use of the Beechwoods homeowners, members of their households, and their guests.
2. Persons using this facility are expected to behave in a safe and responsible manner.
3. A homeowner or member of the household must be present for a guest to use the pool. Relatives are not allowed to use the pool unless the homeowner or a member of the household is **present in the pool area**.
4. The cost of any damages caused by neglect or abuses by a homeowner, household member or guest will be charged to the homeowner.
5. The Association cannot be held responsible for lost, stolen or damaged property.

Playground and Parking Lot

1. Young children have priority for the use of the playground equipment.
2. Bicycles should never be parked on or along sidewalks, but rather adjacent to the pool fence. Bicycles are not allowed in the pool area or under the cabana.

Pool

1. No swimming or trespassing is permitted in the pool area unless a lifeguard is present.
2. Homeowners and household members should introduce themselves to the lifeguards at the beginning of the swim season.
3. Lifeguards are authorized and required by the Association to enforce the pool rules. They may require any person to leave the pool area at any time for safety or disciplinary reasons. The lifeguards may close the pool at any time due to weather or safety concerns.
4. The pool will be open while the outside temperature is 65 degrees or above.
5. The pool is immediately closed during a lightning storm. For the purpose of this section, "lightning storm" is defined as: a thunderclap heard by the lifeguard on duty. The pool may not be reopened until 20 minutes after the most recent audible thunderclap.
6. The pool may remain open during mild rain as long as the air temperature is 65 degrees or above and there is no sign of lightning.
7. There is a sign-in binder for all homeowners and guests to sign-in. This will be kept in the cabana area. Everyone must sign-in upon entering the pool area.
8. Non-swimmers and children under the age of 9 who have not completed 3rd grade are not permitted inside the pool unless accompanied by a parent or a responsible individual who is 13 years of age or older.
9. Children who are 9 years old or have completed 3rd grade are eligible to take a swimming test conducted by the lifeguard. Those children who pass this test may swim without parental supervision after their parents acknowledge their understanding by signing the rule sheet.
10. Lifeguards are authorized by the Association to take a 10-minute break at the beginning of every hour, if needed, when a guard is on duty alone. During this break, swimmers will be required to leave the pool but may remain on the pool deck until the break is over. If an adult would like to swim at their own risk during this break, they may do so only in the shallow end of the pool. When more than one lifeguard is on duty, the pool will not be closed during the lifeguard breaks as the breaks will be staggered.

Guests

1. All guests must sign in when entering the pool. The resident must see that the guests are registered and introduced to the lifeguard and must remain at the pool with the guests.
2. Children between the ages of 13 (or have completed 7th grade) and 18 years old may have one guest without an adult sponsor present at the pool. If the guest is under 13 years old, the guest must pass the swim test.

1. The purpose of the lifeguards is to oversee the safety of everyone in the pool area and NOT to be a babysitter for the children.

3. All children who have not completed the 3rd grade, regardless of swimming ability, must be accompanied by an adult or a responsible sitter.
4. The sitter must be 13 years old (or have completed 7th grade). They should sign in for themselves and their charges, but need not be a resident of the Beechwoods. A sitter may only be responsible for the children from one Beechwoods family at a time. It is expected a sitter will be able to swim.

Conduct

1. Running, pushing, dunking, throwing other swimmers, and undue splashing or horseplay is not permitted in the pool area at any time.
