Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2016 AND 2015

NOTE 1: SUMMARY OF OPERATIONS

On March 13, 2012, the Association was incorporated under Section 402 of the New York State Not-For-Profit Corporation Law, for the purpose of owning common land and maintaining the common areas (consisting of exteriors, asphalt, grounds and lawns) of ninety-three homes of which forty-eight are sold, located in Victor, New York. The homeowners elect a board of directors who hire an independent property management firm to manage the Association. The sponsor is currently in control of the Association.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents - The Association considers all highly liquid investments with maturities of three months or less to be cash equivalents.

Fund Accounting - The Association uses fund accounting, which requires that funds, such as operating funds and funds designated for future major repairs and replacements, be classified separately for accounting and reporting purposes. Disbursements from the operating fund are generally at the discretion of the board of directors and property manager. Disbursements from the major maintenance fund generally may be made only for designated purposes.

Income Taxes - Pursuant to the Tax Reform Act of 1976, homeowner associations are permitted to make an annual election to be treated as a regular corporation or a tax exempt organization. Each year the Association will file its tax returns under the election which is most beneficial to the organization. Under Section 528 of the Internal Revenue Code, taxes are paid on non-exempt function income (principally interest, net of expenses).

The Association's tax returns for the years ending 2013, 2014 and 2015 are subject to examination by the IRS, generally for three years after they were filed.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events - In preparing these financial statements, the Association has evaluated events and transactions for potential recognition and disclosure through July 7, 2016, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2016 AND 2015

NOTE 3: OWNERS' ASSESSMENTS

Monthly assessments to owners for the year ended April 30, 2016 and 2015 were \$155, of which a portion is allocated to the major maintenance fund. The annual budget and assessments of owners are determined by the board of directors. The Association normally retains excess operating funds at the end of the operating year, if any, for use in future operating periods. As of May 1, 2016, monthly assessments increased to \$185.

The Association's policy is to retain legal counsel and place liens on the properties of homeowners whose assessments are significantly in arrears. It is the opinion of management that the Association will ultimately prevail against the homeowners whose assessments are delinquent and, accordingly, an allowance for doubtful accounts is not deemed necessary.

NOTE 4: COMMITMENTS

The Association has entered into an agreement with Realty Performance Group, Inc. for management of its operations. The agreement provides for a monthly fee of \$1,025 for 61-72 sold units and \$1,265 for 73-93 sold units until April 30, 2017. For the year ending December 31, 2018 the fee will increase by the greater of three percent or the increase in the consumer price index.

NOTE 5: SPONSOR CONTRIBUTIONS

The sponsor is required to fund operating deficits or pay assessments on unsold lots, whichever is less, until the last lot is sold or until September 14, 2027. The sponsor is also responsible for the portion of assessments allocated to the major maintenance fund on unsold units with a certificate of occupancy.

NOTE 6: FUTURE MAJOR REPAIRS AND REPLACEMENTS

The Association has elected to accumulate funds for future major repairs and replacements. Accumulated funds are accounted for separately and generally are not available for expenditures for normal operations.

The board of directors, in accordance with the offering plan, determines amounts to be allocated to the major maintenance fund. Actual expenditures may vary from the estimated future expenditures, and the variations may be material. Therefore, amounts accumulated in the major maintenance fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right to increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

NOTE 7: CONCENTRATIONS OF CREDIT RISK

The Association's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents. The Association places its cash investments with high credit quality institutions. At times such investments may be in excess of the FDIC insurance limit. The Association routinely assesses the financial strength of these organizations and, as a consequence, believes that its credit risk exposure is limited.
