

## Flags, Wind chimes, and Bells - Article XI

### Section 11.15

Only the American flag mounted on a pole can be flown on the home's exterior. The pole may be attached with a mounting bracket to a porch pillar or the exterior wall closest to the porch. The flag may not be larger than 3' x 5'.

Garden flags may be displayed on a metal mounting/display stand in the house's front landscape bed. The flag may not be larger than standard size (12" x 18"). They may be seasonal or holiday but not political or advertisement.

Any needed repairs are the homeowner's responsibility.

No banners, posters, or flags may be displayed in windows or on the exterior of the home.

Wind chimes and bells are not to be installed or placed on the home's exterior.
