BACKGROUND

Every homeowner should have three booklets which are relevant to living in Woodbury Commons and being a member of the Woodbury Commons Homeowners Association, Inc. (WCHOA or Association): Booklet 1 (Useful Information); Booklet 2 (Legal Documents); and Booklet 3 (Rules and Regulations). Owners who sell or transfer their units are responsible for passing on the WCHOA Booklets to the buyer/new owner.

This Booklet 2 contains the current governing documents for the Association. The governing documents are the Certificate of Incorporation (Certificate) and Amendments, the Declaration of Covenants, Conditions and Restrictions (Declaration or Declaration of Covenants) and Amendments and the By-Laws. The Certificate of Incorporation and Amendments are recorded with the New York State Department of State. The Declaration and Amendments are recorded with the Office of the Monroe County Clerk. The By-Laws are not recorded.

Pages 3 to 6 set forth the Certificate of Incorporation with the substantive changes made by subsequent amendments noted under the title. These changes were made by the First and Second Amendments to the Certificate recorded on November 6, 1986 and April 22, 1999, respectively, and are noted on Appendix A as # 1 and #2.

Amendments which are outdated are set forth as # 3 and # 4 on Appendix A. Item #5 on Appendix A is the most recent Amendment designating, Realty Performance Group (RPG), to accept service of process on behalf of WCHOA. These documents are set forth in Appendix A for historical purposes.

The Tenth Amendment to the Declaration (which is the current version) is found at pages 7 - 21. The current By-Laws are contained at pages 22 - 32.

The order of precedence of these documents (pursuant to Article XII of the By-Laws) and the votes needed to amend these documents are as follows:

First, the Certificate of Incorporation, as amended – a majority of the entire membership must approve any substantive amendments; a majority of the Board of Directors can approve administrative amendments (e.g., change re: service of process) (pursuant to Amendment of Certificate of Incorporation filed on April 22, 1999 and NYS Not-for-Profit Corporation Law Section 802);

Second, the Declaration, as amended – 66% of the entire membership must approve any amendments;

Third, the By-Laws, as amended – 66% of the entire membership must approve any amendments;

Fourth, the Rules and Regulations – 66% of the entire membership must approve any Rule or Regulation change.

All property in Woodbury Commons, including buildings, individual lots, common property, and restricted common property is subject to the Certificate, as amended, the Declaration, the By-Laws and the Rules and Regulations.

SUMMARY DESCRIPTION

Woodbury Commons Homeowners Association, Inc. (WCHOA or Association), is a corporation as defined in subparagraph (a)(5) of Section 102 of the New York State Not-for-Profit Corporation Law. The Woodbury Commons community is defined as a “Planned Unit Development”. It is a privately owned community, including the roads. In accordance with its Declaration and Amendments and By-Laws, it conforms to New York State laws governing Homeowners Associations.

Woodbury Commons property comprises common areas owned by the Association, and individual lots/units owned by the homeowners. Each Owner’s lot/unit is defined by an instrument survey. All remaining land is Common Property. Some common property, such as each unit’s driveway is “restricted” to use by an individual homeowner.

Living in a shared community, such as an HOA, has many benefits. It also imposes certain obligations which may seem restrictive to those accustomed to living in a private residence. The Rules and Regulations found in Booklet 3 provide the framework for living in an HOA.

Also, Section 7 was amended to provide for management of the Association and sets the number of Directors as not less than three nor more than allowed by law and deletes Section 10 (see Second Amendment, Appendix A, Item 2).

Any responsibility for maintenance, repair or replacement with respect to the Units which is not the responsibility of the Association is the responsibility of and shall be made at the cost and expense of the respective Owner(s) of such Units.

Subject to the provisions of Section 2 below, the cost of all maintenance, repairs and replacement performed by the Association shall be funded from the Assessments as provided in Article VII below.

The Association shall have an easement and right of access for maintenance and repairs as set forth in Article III above.

Section 2. Repairs and Maintenance Which Are Not the Responsibility of the Association. The maintenance, repair or replacement of any Property of a Unit Owner which is not covered by the Responsibility Matrix shall be the responsibility of the Unit Owner who owns such Property, but such responsibility shall not preclude such Owner from recovering the cost of such maintenance, repair or replacement from any party whose negligence or affirmative act caused the need for such maintenance, repair or replacement.

- f. Unit Repair Assessments. Assessments for repair and maintenance of individual units, such assessments to be established and collected as hereinafter provided.

The Maintenance, Tax, Capital Improvement, Unit Service, Reserve Fund and Unit Repair assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Maximum Maintenance Assessment. The annual maintenance assessment will be determined by the Board of Directors of the Association, but any increase may not exceed ten percent (10%) of the previous year's assessment, plus the percentage increase from the previous year of the U.S. Bureau of Labor Statistics Consumer Price Index for Services.

The Board of Directors may fix the annual maintenance assessment at any amount not in excess of the maximum.

The maximum annual maintenance assessment may be increased above the maximum only by a vote of sixty-six percent (66%) of the Members voting in accordance with By-Laws of the Association.

Section 3. Special Assessments for Capital Improvements, Reserve Fund Assessments and Unit Repair Assessments. In addition to the annual maintenance

assessments authorized above, the Association may levy, in any assessment year, a special assessment for the purpose of defraying, in whole or in part, the cost of any reconstruction, or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto (Capital Improvement Assessments), and for the purpose of funding and refunding reserve accounts established for the repair, maintenance or improvement of Common Areas or Units (Reserve Fund Assessments), and for the purpose of repairing and maintaining individual units (Unit Repair Assessments) provided that any such assessment shall have the assent of sixty-six percent (66%) of the votes of Members who are voting in accordance with the By-Laws of the Association. (5.5, Article V, Section 3).

Section 4. Notice and Quorum for Any Action Authorized Under Sections 2 and 3.

Written notice of any meeting called for the purpose of taking any action authorized under Sections 2 and 3 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum.

If at such meeting the required sixty-six percent (66%) approval is not given, then the Secretary shall hold open the ballot for thirty (30) days to enable those Members not present to vote. If at the end of the thirty (30) days period the required sixty-six percent (66%) approval has not been given, then the proposal shall be deemed to have been defeated.

Section 5. Rate of Assessment. Maintenance, Tax, Capital Improvements and Unit Service and Reserve Fund assessments must be fixed at a uniform rate for all Lots.

Section 6. Date of Commencement of Annual Assessments: Due Dates. The Board of Directors shall fix the amount of the annual assessments against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessments shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors, and, unless the Board otherwise provides, one-twelfth (1/12) of the annual assessments shall be due each month. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 7. Effect of Nonpayment of Assessments. Remedies of the Association.

- a. Late Fees. Any assessment not paid within thirty (30) days after the due date shall be charged a late fee of 10% of the monthly assessment amount for each month missed going forward. However, a late notice will be sent after the first 15 days alerting the homeowner.
- b. Action at Law, Foreclosure of Lien, Attorneys Fees. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property; and interest, costs, disbursements, and

reasonable attorney's fees of any such action will be added to the amount of such assessment and each such Owner agrees to pay such attorney's fees as the Association may incur in any action to foreclose such lien.

- c. **Lien, Actions and Other Remedies.** Each such Owner, by such Owner's acceptance of a deed to a Lot, hereby expressly vests in the Association the right and power to bring all actions against such Owner personally for the collection of such charges as a debt, and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosures by an action brought in the name of the Association in a like manner as a mortgage lien on real property, and such owner hereby expressly grants to the Association a power of sale in connection with said lien. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all Owners. The Association, acting on behalf of the Owners shall have the power to bid for an interest foreclosed at foreclosure sale and to acquire and hold, mortgage and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of such Owner's Lot.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage placed by a lending institution. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

4.8 ARTICLE VIII - ARCHITECTURAL AND LANDSCAPE CONTROL

No building, fence, wall, antenna/dish, deck or other structure shall be constructed, erected or maintained upon the Properties nor shall any exterior addition, change or alteration of the Properties be made until a Request for Approval (RFA) showing, as relevant and applicable, the nature, kind, shape, height, materials, and location of the change or addition has been submitted to and approved by the Board of Directors. When determining whether an RFA should be approved, the Board shall consider the harmony of external design and location of the proposal in relation to surrounding structures and topography as well as the rules and regulations and any other governing provisions. Replacement of an existing heat pump or air conditioning compressor in its same location does not require an RFA to be submitted, but an RFA must be submitted for an initial installation or re-location of a heat pump or air conditioning compressor.

4.9 ARTICLE IX - USE RESTRICTION

The use of any portion of the Property, including the Lots, Units and Common Areas, shall be subject to the provisions of the codes, rules and regulations of the Town of Perinton, County of Monroe and State of New York as the same may be amended from

time to time. No commercial or business activities shall be permitted upon the Properties.

1. No commercial vehicles, other than those vehicles making deliveries or providing services to the Lots and Units in the development, may be stored or parked on any portion of the Properties, except entirely within an enclosed garage.
2. No boating vessel, trailer or recreational vehicle may be parked or left on the Properties for more than twenty-four (24) hours except entirely within an enclosed garage or in areas designated by the Association.
3. Visitor parking may be limited to areas designated by the Association.
4. No advertising or political signs, except one "For Sale" sign shall be placed or permitted to remain on the Property.
5. Except in the individual patio area adjacent to a Unit and fenced at the time of purchase, planting or gardening shall be governed by the rules and regulations of the Association.
6. No fences, hedges or walls shall be erected or maintained upon said Property without such approvals as may be required under Article VIII hereof.
7. There shall be no exterior television, or radio antennas or satellite dishes placed or maintained upon any portion of the Property except as may be permitted pursuant to the rules and regulations of the Association, or as permitted by the Federal Telecommunications Act of 1996 and Federal Communication Commission (FCC) 1999 Over-The-Air Reception Devices Rules.
8. Effective upon the recording of this Amendment, no Residential Unit may be leased. All Residential Units must be Owner occupied, excepting units currently [December 9, 2006] being leased, which may be leased until they are conveyed to a subsequent Owner.

4.10 ARTICLE X - INSURANCE AND CASUALTY DAMAGE

Insurance Assessments:

1. Fire and Hazard Insurance. The Board of Directors of the Association, or its duly authorized agent, shall have the authority to and shall obtain a master insurance policy for all Units against loss or damage by fire or other hazards and coverage shall be for the unit value of each Unit under the "all in" policy, i.e., covering the Units including but not limited to the Unit structure, wall to wall carpeting, lighting fixtures, any attic or basement areas, bathroom fixtures, built-in appliances, wall coverings, all heating, air conditioning and all machinery servicing the Units and common facilities and any improvements, betterments, upgrades or alterations made by present or prior owners or occupants; coverage shall exclude the personal property of owners and occupants.
2. Public Liability Insurance. The Board of Directors shall also obtain a broad form public liability policy covering all Common Areas, and all damage or injury caused

by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. The coverage shall be written on such basis, at such rates and upon such terms as the Board of Directors of the Association shall from time to time in its discretion determine.

3. Premium. Premium for all such insurance shall be included in the Unit service assessment, payable monthly. All such insurance coverage, including insurance on individual Units obtained by the Board of Directors shall be written in the name of the Association as Trustee for each of the Owners.
4. Owner Insurance. In addition to the aforesaid insurance required to be carried by the Owner through the Association, any Owner may, at such Owner's expense, carry any and all other insurance desired or deemed advisable. It shall be the individual responsibility of each Owner to procure homeowner's liability insurance, theft and other insurance covering personal property damage and loss.
5. Rebuild or Repair. In the event of destruction by fire or other casualty to any property covered by insurance written in the name of the Association, the Board of Directors shall, upon receipt of the insurance proceeds and to the extent possible, contract to rebuild or repair such damaged or destroyed portions of the property to as good condition as formerly existed. All such insurance proceeds shall be deposited in a bank or other financial institution the accounts of which are insured by a Federal government agency. Such funds may be withdrawn only by signature of at least one-third (1/3) of the members of the Board of Directors, or by an agent duly authorized by the Board of Directors. The Board of Directors may negotiate with and engage any contractor of its choice.
6. Deficient Insurance Proceeds. In the event the insurance proceeds are insufficient to pay all the costs of repairing and/or rebuilding to the same condition as formerly existed, the Board of Directors shall levy a special assessment against all Owners of the damaged Units in such proportions as the Board of Directors deem fair and equitable in the light of the damage sustained by such Units to satisfy any deficiency.
7. Excess Insurance Proceeds. In the event such insurance proceeds exceed the cost of repair and reconstruction, such excess shall be paid over to the respective mortgagees and/or Owners in such proportions as the Board of Directors shall deem fair and equitable in the light of the damage sustained by such Units.
8. Application of Owner Insurance. In the event of damage or destruction by fire or other casualty to any Unit or other property covered by insurance written in the name of an individual Owner, said Owner shall, upon receipt of the insurance proceeds, contract to repair or rebuild such damaged or destroyed portions of the Unit in a good workmanlike manner in conformance with the original plans and

specifications of said Unit. In the event such Owner refuses or fails to so repair and rebuild any and all such damage to the Unit within thirty (30) days, the Association, by and through its Board of Directors, is hereby irrevocably authorized by such Owner to repair and rebuild any such Unit in good and workmanlike manner in conformance with the original plans and specifications of the Unit. The Owner shall then repay the Association in the amount actually expended for such repairs, and the Association shall have a lien securing the payment of same identical to that provided for delinquent assessments, and subject to foreclosure.

4.11 ARTICLE XI - GENERAL PROVISIONS

Section 1. Enforcement.

- a. Actions at Law or Suits in Equity. The provisions of the Declaration bind the Property and shall be construed as running with the land and shall inure to the benefit of and be enforceable by the Association (being hereby deemed the agent for all of the Owners), and by any Member or Owner, their respective legal representatives, heirs, successors and assigns, by actions at law or suits in equity. As it may be impossible to measure momentarily the damages which may accrue to the beneficiaries hereof by reason of a violation of the Declaration, any beneficiary hereof shall be entitled to relief by way of injunction or specific performance, as well as any other relief available at law or in equity, to enforce the provisions hereof.
- b. Penalties and Fines. In addition or as an alternative to an action at law or suit in equity, the Board of Directors of the Association may, with respect to any violation of this Declaration or of the By-Laws or of the rules and regulations of the Association or any committee of the Association, and after affording the alleged violator a reasonable opportunity to appear and be heard, establish monetary and non-monetary penalties, the amount and/or severity of which shall be reasonably related to the violation and to the aim of deterring similar future violations by the same or any other person. Monetary penalties imposed against an Owner shall be deemed a Special Assessment against the Lot of such Owner or on which the Unit occupied by such occupant is located and, as such, shall be a charge and continuing lien upon such Lot, shall constitute a personal obligation of the Owner, and shall be collectible in the same manner as Assessments under Article VII of this Declaration.
- c. No Waiver by Failure to Enforce. The failure of any beneficiary hereof to enforce any provision of the Declaration shall in no event be construed as a waiver of the right by that beneficiary or any other to do so thereafter, as to the same or a similar violation occurring prior or subsequent thereto. No liability shall attach to the Association (or any officer, director, employee, member, agent, committee or committee member) or to any other person or organization for failure to enforce the provisions of the Declaration.

- d. Obligation and Lien for Cost of Enforcement by Association. If the Association or any other party successfully brings an action to extinguish a violation or otherwise enforce the provisions of this Declaration, or the rules and regulations promulgated hereto, the costs of such action, including legal fees, shall become a binding, personal obligation of the violator. If such violator is: (1) the Owner; or (2) any family member, guest or invitee of the Owner; or (3) a guest or invitee of any member of such Owner's family, such costs shall also be a lien upon the Lot owned by such Owner.

Section 2. Severability. Invalidity of any of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall continue with full force and effect perpetually unless terminated or its duration shortened by the affirmative vote of not less than 80% of the total number of Lot Owners. This Declaration may be amended by the affirmative vote of 66% or more of the total number of Lots. Any amendment must be recorded in the office of the Clerk of the County of Monroe. Such Amendment need not contain the written consent of the required number of Owners, but may contain a Certification by the Board of Directors of the Association that the consents required for such Amendment have been received and filed with the Board.

Section 4. Prior Declaration. This Amended and Restated Declaration of Covenants, Conditions and Restrictions modifies and supersedes those prior Declaration of Covenants, Conditions and Restrictions encumbering the premises herein described, as previously amended, and all provisions of this Amended and Restated Declaration shall control over conflicting provisions of such prior Declaration. No amendment which substantially affects the interest of any lending institution shall be effective if lending institutions which are first mortgages of 51% or more of the Lots advise the Association in writing, prior to the date set for voting on the proposed amendments that they are opposed to such amendment, which opposition must not be unreasonable.

Pursuant to Declaration Article XI, Section 3, the undersigned members of the Board of Directors certify as follows:

1. This Amendment has been adopted in full compliance with Article XI of the Declaration.
2. It was adopted after a duly called meeting of the Lot Owners and by secret ballot.
3. More than sixty-six percent (66%) of the Lot Owners have approved the Amendment.

IN WITNESS WHEREOF, the undersigned being all the members of the Woodbury Commons Homeowners Association, Inc. Board of Directors cause this Tenth Amendment to the Declaration of Covenants, Conditions and Restrictions of the Woodbury Homeowners Association, Inc. to be signed this 19th day of December, 2023, and direct the Amendment to be recorded in the Monroe County Clerk's Office as an Amendment to the Declaration.

BY-LAWS OF WOODBURY COMMONS HOMEOWNERS ASSOCIATION, INC.

Amended June 21, 2023 and February 14, 2024

5.1 ARTICLE I - NAME, PURPOSE, OFFICE

Name and Location. The name of the corporation is Woodbury Commons Homeowners Association, Inc., hereafter referred to as the “Association”. The principal office of the corporation shall be located in the Town of Perinton, Monroe County, New York, but meetings of Members and Directors may be held at such places within the State of New York, County of Monroe, as may be designated by the Board of Directors. The Association has been formed for the exclusive purpose of promoting the common good and social welfare of the Members of the corporation.

5.2 ARTICLE II - DEFINITIONS

All terms used herein shall have that meaning and definition ascribed to them in Article 1 of the Declaration of Covenants, Conditions and Restrictions (Declaration or Declaration of Covenants) encumbering the Woodbury Commons subdivision, as such declaration may be amended from time to time.

5.3 ARTICLE III - MEETINGS

Section 1. Agenda and Governing Rules. Meetings are to be based upon a published agenda followed sequentially and conducted by the President or his/her designee who is responsible for maintaining a civil atmosphere by allowing only one individual to speak at a time and allowing others to speak upon recognition by the Chair. This procedure is applicable to monthly Board Meetings, the Annual Meeting and any Special Meeting.

Section 2. Board Meetings.

- a. The President or any two (2) Directors shall call meetings of the Board. Meetings shall be held monthly. Minutes will be recorded. A Special Board Meeting requires written/oral notice given a minimum of 24 hours in advance. All actions taken require recorded separate minutes or actions incorporated in the minutes of the next meeting of the Board.
- b. Quorum: Three (3) Directors constitute a quorum for the transaction of business. A voting member of the Board unable to attend the meeting shall be consulted regarding all published agenda items prior to the meeting, provided sufficient notice has been given by the absent member.
- c. Action taken without a meeting requires a written vote of all directors and shall have the same effect as does a meeting of the Directors and shall be recorded in the minutes of the next Board meeting and noted having taken place without a meeting.

- d. Attendance at Directors' meetings shall be open to Members except when held pursuant to section 2(c) above. Anyone wishing to speak or make a presentation to the Board, must notify the Management Company in writing, at least two (2) weeks before the meeting and include an outline of their topic. Due to time constraints of the Board, they will be given up to 15 minutes to speak. Only in matters where personal privacy must be preserved, and by two-thirds majority, the Board may elect to have a portion of the meeting in executive session without the presence of non-Board Members.

Section 3. Association Annual Meeting. There shall be an Annual Meeting in November each year to conduct the business of the Association. The order of business shall be as follows:

- a. Calling the meeting to order;
- b. Proof of a quorum if a vote upon a substantive issue(s) will be taken;
- c. Introduction of newly elected Board members and Officers for the upcoming year;
- d. Committee Reports;
- e. Transaction of other business, including announcement of Nominating Committee Members; and
- f. Review of next year's budget and the Capital Reserve Fund(s).

Section 4. Notice of Meeting. Written notice of each meeting of the Members shall be given by, or at the direction of, the Secretary or person authorized to call the meeting, by mailing a copy of such notice at least 30 days before the meeting to each Member, addressed to the Member's address last appearing on the books of the Association for the purpose of notice. Such notice shall specify the place, day and hour of the meeting, and include an agenda.

Section 5. Quorum. A quorum is required at any meeting at which a vote will be conducted except for a vote to approve minutes. The presence at a meeting of Members entitled to vote, and of proxies entitled to be cast, of sixty percent (60%) of the Members shall constitute a quorum for any action except as otherwise provided in the Certificate of Incorporation, the Declaration of Covenants, or the By-Laws. If, however, such quorum shall not be present or represented at any meeting at which a substantive vote is to be taken, the Members entitled to vote thereat shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present and represented by proxy.

Section 6. Proxies. At all meetings of Members at which a vote is to be taken each Member may vote in person or by proxy, duly appointed by instrument in writing, filed with the Management Company, which writing is subscribed by the Member and bears a date not more than eleven (11) months prior to such meeting, unless such instrument provides for a longer period. Each proxy shall be revocable and shall automatically cease upon conveyance by a Member of such Member's Lot/Unit. Proxies are no longer

needed for the election of directors because this vote is now done through the mail prior to the Annual Meeting (5.5, Article V, Section 3).

Section 7. Minutes of Annual Meeting. Minutes shall be distributed, by email or mail, to Members for their review and approval within 30 days after the close of the Annual Meeting. Approval of the minutes of the Annual Meeting will be accomplished by the return of a ballot distributed with the minutes. The ballot will not be secret and the protocols set forth at 5.5, Article V, Section 3 are not required to be followed. The minutes will be deemed approved upon a vote of approval by 66% of the Members who attended the annual meeting.

Section 8. Special Meeting of the Members. A Special Meeting of the Members may be called by the Board of Directors to address any business or issues that concern the Association in between Annual Meetings. Absent an emergency situation, at least 10 days written notice of a Special Meeting shall be provided to the Members. The provisions of Section 5 above shall apply regarding the establishment of a quorum at any Special Meeting at which a vote will be taken.

Section 9. Governing Rules. All meetings of Members and the Board of Directors shall be governed by Robert's Rules of Order.

Section 10. Vote.

- a. An affirmative vote of 66% or more of the Members eligible to vote, as defined in subsection (b) below shall be sufficient to approve any action or resolution EXCEPT that amendment of the Certificate of Incorporation shall require the assent of a majority of the entire membership and termination or shortening of the duration of the covenants and restrictions of the Declaration of Covenants shall require an affirmative vote of not less than 80% of the total number of Lot Owners/Units (Declaration of Covenants, 4.11 Article XI, Section 3). Voting shall be conducted at a meeting upon the same notice as provided for any meeting or, in the alternative, by mail-in secret ballot pursuant to the provisions of 5.5, Article V, Section 3;
- b. Each Member is entitled to one vote, and only one vote, regardless of the number of Lots/Units owned by such Member. Multiple individuals or entities in ownership of a Lot/Unit shall be deemed a single Member, entitled to one vote.

Section 11. Virtual Meetings. At the discretion of the Board of Directors, any meeting may be held via virtual communications platform (e.g., ZOOM, Microsoft TEAMS, Google Meet).

5.4 ARTICLE IV - ELECTION OF DIRECTORS AND TERM OF OFFICE

Section 1. Number. The affairs of the Association shall be managed by a Board of Directors consisting of five (5) persons, who must be Members of the Association. Only one Owner of a Unit may serve on the Board at one time.

Section 2. Election and Term of Office. The term of a Director shall be three years unless shortened to achieve staggered terms. It is desired that not more than two (2) Board members change in any year in order to facilitate the efficient operation of the Board. To achieve staggered terms, terms(s) may be shortened. The term to which an individual is being elected shall be set forth on the ballot. A Member may serve as a Director for not more than six (6) consecutive years.

New member(s) of the Board of Directors shall be elected one month prior to the November Annual Meeting by mail-in written ballot. On or before seven (7) business days after the date balloting is closed, the Management Company shall count the ballots and notify the Members of the results. A newly elected Director(s) will serve beginning on January 1 after election.

Prior to the Annual Meeting held in November, newly elected Directors shall confer with carryover Board Members (that is, the new Board) for the purpose of designating officers (President, Vice-President, Treasurer, and Secretary) and Member-at-Large. If the new Board cannot agree on the selection of officers, then the current/outgoing Board shall make the selection prior to the Annual Meeting. The new Board Members and Officers shall be introduced at the November Annual Meeting. Newly elected Directors are encouraged to attend the December meeting of the outgoing Board and/or hold an organizational meeting prior to their first official meeting to facilitate the exchange of information and learning of procedures. Since the powers of the office of Director are not conferred until January 1, the incoming Board has no authority to vote on any substantive matter at any meeting held prior to January 1.

Section 3. Vacancies. Any Director may be removed from the Board, for cause, by a majority vote of the Members of the Association. In the event of the death, resignation or removal of a Director, his or her successor shall be selected by the remaining Board Members to fill the vacancy until the next Annual Meeting. The provisions of Article V, Nomination and Election of Directors shall apply for the nomination of a candidate(s) to run for the unexpired term caused by early termination of a Director's term, regardless of cause.

Section 4. Compensation. No director shall receive compensation as a Director for any service he or she may render to the Association. However, any Director may be reimbursed for actual expenses incurred in the performance of duties, as well as compensated for services performed other than as a Director.

5.5 ARTICLE V - NOMINATION AND ELECTION OF DIRECTORS

Section 1. Nominating Committee. The nominating committee shall consist of a chairman, who shall be a member of the Board of Directors and two (2) more Members of the Association who need not be members of the Board of Directors. The nominating committee shall be appointed by the Board of Directors prior to each Annual Meeting, to serve from the close of such Annual Meeting to the close of the next Annual Meeting, and such appointment shall be announced at each Annual Meeting.

Section 2. Nominations. Nomination for election to the Board of Directors shall be made by a nominating committee which shall present a slate of candidates to replace those members of the Board whose terms have expired or been vacated. Nominations by Members may also be made by responding to the Notice of Request for Nominees (to be circulated to Members in September) by submitting a nomination form by the date indicated in the Notice of Request. Nominations may be by self-nomination or by another Member.

Section 3. Election.

- a. Secret Ballot. Election to the Board of Directors shall be by secret ballot mailed to each Member's home. The return envelope will indicate the Member's address while the enclosed sealed secret ballot will contain no signature or address. The completed ballots shall be submitted to the Management Company for counting and the results, together with copies of the ballots, then delivered to the Board President. Upon request of the Board, the ballots may be subject to review and verification of results by the full Board. The person or persons (in the event there is more than one Board opening) receiving the highest number of votes shall be elected. The original ballots shall be made available for review upon request by Members at the Annual Meeting.
- b. Member Vote Definition. Each Member is entitled to one vote, and only one vote, regardless of the number of Lots/Units owned by such Member. Multiple individuals or entities in ownership of a Lot/Unit shall be deemed a single Member, entitled to one vote.

5.6 ARTICLE VI - MEETINGS OF DIRECTORS

Section 1. Regular Meetings. There shall be a monthly meeting of the Board of Directors.

Section 2. Special Meetings. Special meetings of the Board of Directors shall be held when called by the President of the Association, or by any two (2) Directors, after each Director has received written or verbal notice of the purpose and intent of the meeting at least twenty-four hours prior to the proposed meeting, unless an emergency exists which requires meeting sooner. All actions taken shall be recorded in separate minutes or in the minutes of the next meeting of the Board and shall be noted as taking place in a special meeting.

Section 3. Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. At a duly held meeting at which a quorum is present, every act or decision ratified by a majority of the total number of Directors present either in person or via virtual communication platform (e.g., Zoom or TEAMS) shall be regarded as the act of the Board, but all members of the Board who will be unable to attend the meeting shall be consulted regarding all published agenda items prior to the meeting.

Section 4. Action Taken Without a Meeting. The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining

the written vote of all the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors, shall be recorded in the minutes of the next meeting of the Board, and shall be noted as taking place without a meeting.

Section 5. Attendance. Meetings of Directors shall be open to Members except when held pursuant to Section 4. On occasion, only in matters where personal privacy must be preserved, and by a two-thirds majority, as specified in Robert's Rules of Order, the Board may elect to have a portion of the meeting in executive session without the presence of non-board Members.

5.7 ARTICLE VII - POWERS AND DUTIES OF THE BOARD OF DIRECTORS

Section 1. Powers. The Board of Directors shall have the power, as follows:

Appoint a Rules and Regulations Committee whose function shall be to propose revisions, additions, and deletions to the legal documents (Booklet 2) and Rules and Regulations (Booklet 3) for ratification by sixty-six percent (66%) of the Members, and to annually update Booklet 1 (Useful Information). Revisions to the legal documents and the rules and regulations are necessary to adapt to evolving changes and situations for more effective governance of the Association, the common and individual properties therein, the personal conduct of the Members and their guests, and to establish penalties for any infraction thereof. The Chair of the Rules and Regulations Committee, or his/her designee, shall be a nonvoting member of the Board of Directors to attend meetings for the purpose of enhancing awareness and communication regarding the Rules and Regulations. The Rules and Regulations Committee shall have the right to seek enforcement of any legal documents and Rules and Regulations affecting the Association.

A homeowner may upon written request, by mail or email, access such records provided the request is reasonable in terms of time, frequency of requests, and volume of material requested. The Association, by the Directors, may deny the homeowner's request, in whole or in part, should the Board, in its sole discretion, deem it to be abusive and/or an onerous expense in terms of time and/or money. The responses of the Members are for the guidance of the Board and in no way limit the actions of the Board.

Section 3. Conflict of Interest. No member of the Board shall cast a vote or negotiate a contract that will solely affect his or her own Unit, or participate in a way that presents a conflict of interest or appearance of impropriety.
