Issue # 16 June 2026

Your DRTA Board of Director

- President – Robyn Federman
- Vice President – Robert Tower
- Vice President of Landscaping – Christine Pallini
- Treasurer – Danielle Ruscio
- Secretary – Rotating

Thank You!

As we are preparing to transition from Woodbridge Management Company to Reality Performance Group at the end of this month, we want to recognize the committee members who devoted their time to interviewing several companies. We are grateful for the efforts of Bryant Griffin, Fred and Kathy Laitenberger, Robyn Federman, Robert Tower, Mike Pallini, Bill McCullough, and Donald Cushman as DRTA begins this new partnership and looks ahead with optimism.

Let us also recognize two dedicated Board members who have spent years helping make DRTA a wonderful place to live. Thank you, Bryant Griffin and Fred Laitenberger, for your lasting contributions to our community. Your dedication has made a meaningful impact and will not be forgotten. We know you will continue to offer valuable counsel to the new Board.

Experiment is Underway at DRTA

Christine Pallini, DRTA Vice President of Landscaping, shared that several residents have suggested adding more color around the community this year. The idea is to create a small “*pop of annual color*” in selected common areas. Christine would oversee the planting, watering, and fall removal herself. The goal is to brighten the community with a touch of summer color, in sunny spots near the electrical boxes, along the brick wall at the second entrance, and in the mulched area on Braeloch. If you would like to help, please contact Christine.

Trimming of the Shrubs

As I walk through our community, I continue to be struck by how attractive and well cared for the lawns look this season. Now that the shrubs have been neatly trimmed, Deer Run has an especially tidy, welcoming, and well-maintained appearance. The recent landscaping work has made a noticeable difference

throughout our shared spaces, giving the neighborhood a fresh and polished look that residents can appreciate each day. Thank you to Trimline for getting off to a strong start as our landscaping contractor and for helping to present Deer Run at its best.

Local Free Events!

The Perinton Amphitheater is a unique performance venue in Monroe County and a great place to enjoy a summer evening of live entertainment. Located behind the Perinton Community Center at 1350 Turk Hill Road in Fairport, the amphitheater hosts both the Town of Perinton's free Center Stage concerts on Sunday evenings and on Thursday's the Gazebo's Concerts from 7:00 to 8:00 at the library. Bring a lawn chair or blanket and check the current 2026 schedule before you go at this web site: <https://perinton.gov/wp-content/uploads/Center-Stage-2026-Final.jpg>

Community Picnic Reminder

Please save the date for the DRTA Annual Picnic on September 15. We hope many residents will be able to join us for this enjoyable community gathering. If the weather does not cooperate, the rain date will be September 17.

Sincerely,
Robert Tower
